ADVERTISING

All matters relating to advertising should be addressed to the Advertising Coordinator bunty.waters@ntlworld.com. Quarter-page adverts cost £15.50 per month and must be submitted by the 1st of the month prior to inclusion. HAPPY HOURS - NEWSLETTER

We had a raffle this month which raised £35 for
Arthur Rank Hospice.

Some of our members attended and enjoyed the
Harvest Service held on the 16th September.

We have been asking members to check with their
Utility Companies whether they are on the lowest
rates. Companies do not tell you, but its worth a phone
call as its sometimes possible to get low user rates.

Our competitions are nearly finished ready for our
AGM on 3rd November, and members have been
enjoying playing the new games donated by Tesco.
We also finished the month with a cream tea and quiz
donated by Tesco in their new Community Room.
With many thanks to Julie for organising this on our
behalf.

Dear Editor

Our Parish Clerk has resigned. She has done the job for 11 years and was much more than a Parish Clerk: ladies went to see her every week just to talk because they had not spoken to a single person for days; gentlemen also went to see her just to get a smile to make them feel better. She got help for lots of pensioners: care and people going in to see how they managed. People went in with everyday problems and she sorted them out.

She will be a hard act to follow.

It was with a lot of soul searching and some heartache that she came to the decision to leave the job she loved, and which she thought she would have till she retired. It was simple – she loved Bar Hill and its people.

Leigh will be missed by a lot of people in Bar Hill – and she will miss you just as much. A big thank you for all you have done to make the village a better place.

THANK YOU LEIGH.

Jean Burrage

Dear Editor

I would like to ask Bar Hill residents if they can answer my local wildlife questions:

1. I have seen a few owls around the village over the years, but what sort are they or at least what would be the most common for me to have seen?
2. I have also seen many bats flying about at dusk but what sort of bats are they? Where is their roost most likely to be located? How many would be typical in the colony?

If you can answer any of these questions, or know of someone who can, please email me at krystie_driver@hotmail.co.uk.

Thanks

Krystie Driver, Watermead

Dear Editor

On investigating a loud bang, we discovered a sparrow hawk had hit our window. The Wildlife Trust recommended that we place the wounded bird in a box; they have found that keeping birds in the dark and out of the draught was sometimes successful. Unfortunately the poor creature died fairly quickly.

We think it possible the hawk spotted, and tried to kill, one of the stick-on bird profiles which are supposed to deter birds from flying into the glass. This is of obvious concern – the outlines could prove a hazard rather than a help to wildlife.

Dear Editor

The fundraising towards the Community Picnic Bench, planned for outside the Library, got off to a flying start on 12th October with "Strolling on a Sunday Afternoon". The weather was very kind to the 60 or so walkers as they set off. There were mums & dads, babies in slings, toddlers, teenagers, right up to fit senior folk who kept up the pace.

They strolled out to Dry Drayton, around the village before returning to the Library via The Drift. Welcome hot and cold drinks and cookies were shared on their return. It was lovely to see the rosy smiling faces!. Thank you to everyone who supported us and helped us raise the grand sum of £250. Thanks also to Tesco and others for providing refreshments, and to the helpers who gave up their time before and on the day. We are now well on the way to our target.

Our next fundraising will be on Saturday 1st Nov. when we will be serving soup at the Community Market. This will be followed by a Jazz Dance on 17th January with Rosie Val and the Cambridge Jazz Co, in Bar Hill Church. We look forward to seeing you at either of these events. For further details or to donate please contact *Sue Kenchington* 01954 789670 or *Josephine Powell* 01954 202620.

Dear Editor

Village Responsibilities

Just a reminder to all residents of who is responsible

Village Responsibilities

A reminder to residents of who is responsible and for what: all village roads, footpaths and street lighting is the responsibility of the County Council; bin collections and rubbish-related problems are the responsibility of South Cambridgeshire District Council. Trees and hedges may be the responsibility of the Parish Council, depending on where they are. If a tree or hedge is coming from someone's garden then the Parish Council can only write to the resident asking them to cut it back.

Village Footpaths

The Parish Council would like to clear up any confusion about the village footpaths. When the village was originally developed the footpaths were "multi-use", meaning cyclists could use the paths as well as pedestrians. However, I would like to ask cyclists to kindly respect pedestrians, as there have been a couple of incidents where cyclists have been travelling too fast and have either knocked over a walker or nearly run down a child. Please be considerate, especially at night, and please fit lights and a bell so pedestrians can see and hear you.

Public Bin Collections

Residents may be aware that we have experienced problems with South Cambridgeshire District Council (SCDC) emptying the public bins, bus shelter bins and dog bins over the last few months. Over the summer they had difficulty with staffing due to holidays and illness. Our twice weekly collections became once weekly and over the past few weeks the day of collection has changed. We have been in constant contact with SCDC and are hopeful that the problem will be rectified. Until then our handyman and Bunty Waters have been keeping the bins from overflowing.

Parish Council Meetings

The next meeting will be on Thursday 20th November at 7pm in the Parish Council Office. Members of the public and press are welcome. There is an Open Forum at the start of each meeting for residents to put their views across.

Handy Telephone Numbers

Streetsights: 0800 253529 - give the number that is written on lamppost. South Cambs District Council: 03450 450500. County Council (damaged paths and roads): 01223 717111.

We have a new call sign as NZ412 and are soon to be expanding our activities to come to 2 year old children in very serious conditions and also use a wider variety of oxygen therapies for people with breathing difficulties and conditions.

WE NEED MORE RESPONDERS as we can only cover, at present, during office hours. If you live in Bar Hill and would like to think about helping in the evenings or at weekends we would be very pleased to talk with you.

Contact us at: barhillresponders@gmail.com or our website: <http://barhillresponders.btck.co.uk>.

**BAR HILL AUTOMATED EXTERNAL
DEFIBRILLATOR (AED)**

A new Community Access Defibrillator has been installed on the Parish Council office wall. The device is available 24/7 and anyone can use it in an emergency. It can be removed from the cabinet and carried to the patient and the device even talks to you, giving easy-to-follow instructions. It has a built in safety mechanism and cannot harm anyone if used incorrectly. Using a defibrillator before an ambulance arrives could mean saving a life.

The Parish Council would like to offer their thanks to the East of England Ambulance Service and David Whitehouse for allowing this village to have this life saving equipment, whilst we hope it is never needed it will be comforting for the residents of Bar Hill to know that there is a defibrillator available 24 hours a day to help a heart attack victim before the arrival of a paramedic.

More information and pictures are on the Village website: www.barhill.org.uk.

**DOES ANYBODY HAVE A CASSETTE PLAYER AND
A LOVE OF CLASSICAL MUSIC?**

CHURCH MATTERS

BAR HILL CHURCH HOMEGROUPS

At Bar Hill Church we have six small groups who meet regularly both weekly and fortnightly, with a mixture of evening and daytime meetings. We hope that the groups facilitate discipleship, mission, fellowship, evangelistic outreach and pastoral care. We study a variety of popular biblical material; recent studies have included bible studies on Elijah, as well as deeper insights in to the topics of prayer and worship. The current topic of study is 'praying through the Psalms'. If you are interested in joining in the fellowship of a small group within the village please contact me at the Bar Hill Church office to discuss placing you in a suitable group.

BAR HILL FOOD BANK DROP-OFF

Did you know there are currently 13 million people in the UK living below poverty level? Cambridgeshire may appear wealthy, but local food banks, part of the UK-wide Trussell Trust, have seen a massive increase in demand in the five years since their introduction. Food banks were developed to give local people three days' worth of emergency food at times of urgent need. Bar Hill Church has a drop-off box for donations in the main church foyer. If you'd like to contribute tinned, dried or non-perishable food, the Church is open on Mondays, Wednesdays and Fridays from 0930-1230.

We have lists of suitable foods on the church notice board, or you can get more information at cambridgecity.foodbank.org.uk.

...meets for an hour in alternate months to think about how we, as a local community, can best use our world's resources both for our own benefit and for that of future generations. We are working towards the award of 'Eco-Congregation'. Recent events have included a visit to Amey Cespa, a talk from the Director of LiveSimply, followed by a frugal lunch, and a range of workshops with an Eco theme. Future events include an Eco walk on Sunday 21st September, beginning at the Church at 3pm. New members - from the congregation or the village - are always welcome. Further details, including meeting dates, may be found on the church website - www.barhillchurch.org.uk.

...interesting...

'upper case' and 'lower case' letters are named as such because at a time when all original print was set in individual letters, the 'upper case' letters were stored in a case on top of the one storing the smaller, 'lower case' letters.

WILLINGHAM & LONGSTANTON SURGERIES

Willingham: 01954 260230; Longstanton: 01954 207600;

Dispensary: 01954 260073

Website: www.willinghammedicpractice.nhs.uk

Flu vaccination – is recommended and is free under the NHS to all people of 65 years and over, pregnant women, and to those of any age with a long term medical conditions. Please ring to make an appointment.

Private flu vaccinations for those who are not in the above categories are available at a cost of £10. Please ask in pharmacy.

Flu vaccines for children – the campaign to reduce flu in the community by vaccinating healthy children continues this winter. Children born between 2/9/09 and 1/9/12 inclusive can receive a flu vaccination, given in the form of a nasal spray (not an injection). These should be available in October.

The Shingles Vaccination Rolling Programme is also continuing this autumn. There are strict eligibility criteria and the vaccines are available free this year only to patients born between 2/9/34 and 1/9/36 and between 2/9/43 and 1/9/44. Please ring for an appointment.

If you notice blood in your pee, even if it's "just the once", tell your doctor.

Carers – our practice is dedicated to helping those who help and provide care for others. Over the last few months we have held four Carers Support Meetings where we have had informal chats with refreshments. Tracey from the Village Benefits Advice Service has attended to help with financial problems, and Leslie from the Carers Trust Cambridgeshire has been very helpful advising carers on the help and support available to them. Our next meetings at Willingham Surgery are on Wednesday 5th November and Wednesday 10th December. All meetings are from 2.00-4.30pm at Willingham surgery. If you are a Carer do come along and join us. For more information phone Karen at the surgery.

Missed appointments in September: GP = 54 and Nurse = 74 appointments. Please remember to let us know if you no longer need an appointment so that others may benefit. Don't forget that you can book and cancel appointments on line so just ask reception how you can register for this service.

Counselling – sadly we are no longer able to fund a free counselling service from the practice income due to NHS budgets cuts. Julia Hall will continue to provide counselling services from a room at the surgery but these will now be on a negotiated fee basis.

Cynthia Bidwell, Practice Manager

NOVEMBER REPORT FROM COUNTY COUNCILLOR JOHN REYNOLDS

Residents receive their cash back

A number of Cambridgeshire residents received money back last month after unwittingly responding to scam mail. As part of follow up work Cambridgeshire County Council reminds us that scam mail can take many forms. Letters are designed to look official or to befriend in order to con victims out of money.

Residents should seek help if they have fallen victim to a scam. Don't be embarrassed – scammers can be very devious. We want to stop the cycle – if people respond to a scam their personal details could be shared with other criminals, making it more likely that more scam mail will be received.

To report a scam, contact Trading Standards via the Citizens Advice Consumer Helpline on 03454 040506; Action Fraud on 0300 123 2040 or visit www.actionfraud.police.uk.

Low income family? Don't forget to apply for free school meals

From the start of this term, all Reception, Year 1 and Year 2 pupils in England receive free school meals for the first time. But every primary school child whose family applies on the grounds of low income secures an additional £1,300 of funding – the Pupil Premium.

Parents and carers can apply by calling 01223 703200, or online at www.cambridgeshire.gov.uk/freeschoolmeals.

Change in free childcare eligibility

A change in national criteria means more 2-year-olds in Cambridgeshire are eligible for free childcare.

Eligibility includes children who:

- are in receipt of Disability Living Allowance;
- have a statement of Special Educational Needs or Education, Health and Care (EHC) Plan
- are working with Early Support and have complex needs requiring ongoing specialist support.

Cambridgeshire County Council already includes families in receipt of Working Tax Credit – who previously were not entitled – as long as household income is still less than £16,190.

In Cambridgeshire, around 26% of two-year-olds will be eligible for free childcare, supporting development – and ultimately school readiness and achievement – of these children.

Free childcare will also help ease financial pressures for parents, giving them time to look for work, take up training or work more hours. The hours can be taken as 15 hours a week during school term time. In some childcare settings the free hours can be spread more evenly throughout the year – fewer hours a week over more weeks, up to a maximum of 570 hours a year.

As your County Councillor I welcome hearing your point of view on issues that affect our community. Contact me by email at j.e.reynolds@ntlworld.com.

NEIGHBOURHOOD WATCH

Warning! There is a new type of burglar around.

This one won't enter your property by a door or window but through your telephone, computer, smart phone etc.

There are many different types of cybercrime and due to its rapid growth Cambridgeshire police have recently been issuing specific advice for parents, young people and businesses at www.cambs.police.uk/GetCloser/Cybercrime/, but basic advice for everyone includes:

- never divulge pin numbers, passwords etc. online or over the phone;
- beware of opening email attachments unless you are sure of the source e.g. about prize notifications, or items you have supposedly bought and been charged for. Opening the attachment for more information spreads a virus which may access your personal information or data. Other spam emails state the victim is lost or hurt abroad and requires urgent funds;
- spam phone calls ask you to ring back but you should never dial a number you have not verified independently. It could be a premium rate number or answered by someone pretending to be a bank employee etc.

What else can we do? Neighbourhood Watch has traditionally been about getting to know your neighbours face to face and keeping your eyes open for anything suspicious in your area. While Cybercrime may not have an obvious presence on the streets, like burglars or bogus callers, we can still help to protect each other from becoming victims of fraud by sharing information with our family, friends and communities. In particular, please keep an eye on elderly or vulnerable people who may become targets.

Lastly, if you've been the victim of a fraud or scam, or know someone who has, please report it to Action Fraud on www.actionfraud.police.uk, or 0300 123 2040. In that way it might help prevent others becoming victims.

Our ethos is to ensure high quality care by focussing on each child's ability and interests. Our key person and buddy system enables our team of highly qualified staff to plan activities to reflect the needs of all the children. We offer fully flexible care between 9am-3pm, for children aged 2-5yrs and are registered for Nursery Education Funding (NEF) as well as the new government scheme 'Funded 2's'.

The extended outdoor learning environment provides opportunities from growing fruit and vegetables for our snack bar to discovering worms, ladybirds and other creatures that share the setting. We are proud to offer many additional learning experiences for your child with regular visitors to the setting as well as exploring the community around us. The setting is intimate and comfortable and provides a safe environment for your child to learn and develop with their peers. The indoor area has a quiet corner for reading as well as a range of toys and equipment for your child to discover. We have strong ties with the community through visits to local businesses, the library and the church.

Parent/Carer Partnership: To fulfil our commitment to meeting children's individual needs we use communication diaries as part of our outstanding parent/carer partnerships. Please contact us on the above telephone numbers or: enquiries@barhillpreschool.co.uk. Our setting manager as well as session allocation coordinator, Sarah, and her deputy Michele are always on hand to support you through the registration process. We look forward to meeting you and your child.

BAR HILL COMMUNITY CAR SCHEME

We are delighted to report that the Car Scheme is now fully operational and the volunteer drivers have made journeys mostly to local hospitals, helping Bar Hill residents who had no other means of getting there.

If you are unable to drive and would struggle to get to a medical appointment using public transport, please contact the coordinator who will arrange for one of the volunteer drivers to take you to and from your appointment. Our drivers are fully insured and police checked, and it will only cost you 30p per mile with a minimum charge of £3.00 per journey.

If you wish to book a journey, please contact the Car Scheme Coordinator on 07542 194033.

As demand is growing, we are seeking to recruit additional volunteer drivers. If you are able occasionally to take someone to the doctors' surgery or local hospital and can spare an hour or two now and then, we would love to hear from you.

If you would like to find out more about becoming a volunteer, please contact: Jane Johannessen, Community Development Officer, Care Network Cambridgeshire. T: 01954 211919; E: jane.j@care-network.org.uk.

DISTRICT COUNCILLOR REPORT NOVEMBER 2014

Waste collection – in a bid to cut £700,000 within three years, plans to move to a shared waste service for Cambridge and surrounding villages have been announced. Savings will also come from restructuring bin collections across the district and city border. Cambridge City Council's team will relocate to SCDC's depot in Waterbeach. This will help councils respond to housing growth across the area. Waste and recycling collections currently cost around £5.2 million. Councils will divide equally money saved to help meet savings required following reductions to government grant funding.

Further Share Services – the next steps in plans for Huntingdonshire District, SCDC and Cambridge City councils to save hundreds of thousands of pounds by sharing ICT and legal services have been announced. The three councils currently spend over £6 million a year on ICT. An expected saving of almost £1 million will help to meet the demands of reduced funding. A further saving in excess of £250,000 is expected by joining up legal teams. Both shared services are expected to be in place in April next year. To help the councils transform services, £500,000 of government funding has been secured.

Sports' Grants – grants of up to £2,000 are available to support athletes at all stages of their sporting careers, whether they are competing regionally, making steady progress at national level or representing GB in world class events. Since 2009, over 80 young talented sports performers have been awarded more than £56,000 to support their sporting dreams.

Fly Tipping – two men have been fined almost £2,000 after being convicted of fly tipping. District Council enforcement officers traced the pair after a member of the public witnessed them drive down a byway near Earith Lock.

The City Deal – the Greater Cambridge City Deal is moving to reality as councillors start to discuss the transport schemes which could be prioritised with new government funding. The possible schemes have already been backed by public consultation. The transport strategy needed to support 44,000 new jobs and 33,000 new homes planned for Cambridge and South Cambridgeshire to 2031. As long as certain conditions are met, further tranches of Government funding, potentially totalling up to £400m, will be available.

Finally – Roger has been re-selected to be a candidate in next year's District Council election for the Bar Hill ward.

BEWARE OF COPYCAT WEBSITES**

Trading Standards Officers are urging residents to beware of copycat websites imitating official government services online. These are designed to trick you into parting with your cash unnecessarily by charging for services that are provided cheaper or for free through official government channels.

Ordering new passports, booking driving tests and renewing your car tax are some of the ways that people are unwittingly being left out-of-pocket by shrewd fraudsters.

Copycat websites tend to use similar design features to replicate the look and feel of official service websites and often use URLs that include fragments such as 'govuk', 'directgov' or relevant organisation names to make them appear as official providers of certain services.

The best way you can avoid being duped is to use GOV.UK (www.gov.uk). It is the easiest and most secure place to find government services and information online. Look for the service you require via the search function there, then you'll know you're on the official site.

National Trading Standards is issuing advice for consumers to beat the cyber con-artists. To report a misleading or copycat website, call the Citizens Advice consumer service on 03454 04 05 06.

**COMMISSIONER URGES DRIVERS TO
"BELT-UP"**

Cambridgeshire's Police and Crime Commissioner Sir Graham Bright is backing a campaign to encourage car users to wear seatbelts.

The campaign is part of a Europe-wide blitz on seatbelts. European research suggests that about 50% of car occupants that die in fatal accidents in the EU could have survived had they been wearing their seat belt.

Sir Graham said: "Road safety is one of the biggest concerns the public raises with me. The chance of serious injury is greatly increased if you are not wearing a seat belt and can have long term consequences for both the injured and their families. Please belt-up and make sure those in the car with you do likewise."

Cambridgeshire Constabulary are targeting those who don't wear seatbelts and raising awareness of the dangers of not belting up.

Officers from the Roads Policing Unit will be carrying out regular patrols targeting those flouting the law in relation to wearing a seatbelt. The campaign is not just about fining people for breaking the law, it's also about giving them valuable advice which could save their life. Those caught not using the life-saving device can be fined up to £500.

There has been an increase in dwelling burglaries in South Cambs, but none in Bar Hill in the last month. Please be mindful, however, and make sure your property is secure when you are out.

General crime update:

On 8th October, a theft took place at Tesco Bar Hill. A shopper filled a trolley with goods to value of £685 and attempted to leave the store without paying. Suspect was caught and dealt with.

Between 17th-18th September, an unsuccessful break-in was attempted at Whale of a Time, Viking Way.

I have been carrying out high visibility patrols, including Bar Hill Skate Park and the wooded areas. All has been in order.

- SILENT CALL SCAM -

Members of the public have been receiving a number of silent calls followed by a phone call from a company offering to prevent silent calls for a fee. The company are the ones making the silent calls in the first place and are tricking people into making unnecessary payments.

Most other silent calls, apart from these fraudulent ones, are generated from call centres, as they use automated dialling systems that dial more people than their agents are able to speak to.

Reduce the number of unsolicited marketing calls, including silent calls from call centres, by registering with the Telephone Preference Service: <http://www.tpsonline.org.uk>, which is free. This will not

however stop fraudulent calls so you need to keep vigilant.

- BAR HILL FOOTBALL PROJECT - CHAIRPERSON VACANCY

Do you have a passion for football and an interest in promoting sport in Bar Hill? Then you could be the right person to offer some leadership for the Bar Hill Football Project Committee, who manage the floodlit astro turf pitch in the village.

The chairperson's role would be to attend four committee meetings a year and help deliver our sports development plan. The role would suit someone who has an interest in sport in Bar Hill, a current or retired player or someone studying for a sports qualification. For further information contact Paul Thorby on 01954 781527 or paul_thorby@tiscali.co.uk.

- BAR HILL COLTS FOOTBALL CLUB NEWS - FOCUS ON THE BAR HILL RAVENS U14 TEAM

This month we focus on our Bar Hill Ravens team, now the most senior Colts team in Bar Hill.

Match Report: Bar Hill Ravens 3-3 Waterbeach Colts

The Ravens opened the season with an enthralling draw against Waterbeach at home on 21st September.

On a bright sunny morning both teams really contributed to an exciting spectacle. Bar Hill took a while to settle and found themselves 3-2 down at half time with 2 goals from Harry Sargent.

After the break the Ravens began to grow in confidence and started to dominate possession with a string of attempts at goal. It was getting a little tense and with a few minutes remaining Bar Hill were awarded a corner. Ali Rees delivered a superb cross which was met on the head by Sargent to seal his hat trick and a worthy draw for the home side. The blues could have sealed all 3 points in the final minutes but the Waterbeach goalie was in fine form.

In the end, a draw was a fair result and an encouraging start to the new campaign this season. Well done Ravens.

Why not get involved with supporting the Bar Hill Colts? Our Colts teams range from Under 7s through to Under 14s and involve over a hundred local children who are enjoying learning to play football. Please show your support on Saturday mornings by cheering on our local teams on the village green.

We are looking for volunteers to get involved to help to run the club. It is very rewarding to see the children playing on Saturday mornings and training throughout the week, knowing you've contributed to that. You're never too old to get involved in football, so if you would like to find out more please contact us: www.barhillcolts.co.uk.

NOVEMBER BULLETIN FROM CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

FIREWORKS and bonfires can be plenty of fun for all the family to enjoy. The fire service recommends going to an organised firework display instead of holding one at home. However if you do use fireworks or light a bonfire at home, we would ask residents to take on board our safety advice to ensure it is only the fireworks that go off with a bang:

- Keep fireworks in a closed box and always follow the instructions.
- Light them at arm's length using a taper, and stand well back.
- Never go back to a lit firework.
- Never put fireworks in your pocket or throw them.
- Don't light bonfires in unsuitable weather, particularly in windy conditions.
- Don't leave bonfires unattended.
- Build bonfires well clear of buildings, fences and hedge.
- Never use flammable liquids to start the fire, and never burn dangerous rubbish such as aerosols, paint, foam furniture, rubber tyres, and batteries.
- Before you light the bonfire, check that children and animals are not hiding inside and are a safe distance away.

South Cambridgeshire District Council

- BIN COLLECTION DATES THIS CHRISTMAS -

Please make an early note of Christmas bin collection dates for Bar Hill:

Wed. 17th December: blue and green bins; Wed. 24th December: black bins; Wed. 7th January: blue and green bins. Please ensure your bins are out by 6am on these dates.

You can recycle Christmas cards and wrapping paper in the blue bin. Excess blue bin material can be placed alongside the bin in a returnable container or cardboard box. Leftover food (cooked and raw) and real Christmas trees (cut up) can be composted in the green bin. Excess black bin waste will be collected if placed alongside the bin on the first scheduled black bin collection after the New Year only.

Green bin collections will move to monthly during December 2014, January and February 2015 only when far less garden waste is put out by residents. Fortnightly collections remain for the rest of the year.

For more information and to see the collection calendar, visit www.scambs.gov.uk/bin-changes, see the latest edition of the South Cambs Magazine, or tel: 03450 450063.

INDEPENDENT LIVING FUND (ILF) CLOSURE, JUNE 2015

The Independent Living Fund (ILF) aims to support long term, independent living for severely disabled people by helping them to live at home instead of in residential care. In March 2014, the Government announced that it will be closing on 30th June 2015 when the County Council will take over responsibility for meeting the eligible care and support needs of ILF users. The County Council and ILF are working closely together to make sure the transfer of responsibility for funding arrangements takes place as smoothly as possible. The ILF website www.dwp.gov.uk/ilf includes more information about the programme's closure, or you can phone the County Council's Customer Services on 0345 045 5202 with any questions. The ILF is no longer accepting any new applications.

WALKING - HERE ARE SOME FACTS.

Walking is an excellent form of exercise. We are very fortunate in this area - it has relatively few hills and a vast network of footpaths, cycle paths and bridle ways. *Regular walking can* strengthen your heart, your bones and your muscles.

Walking can reduce the risk of coronary heart disease, stroke, diabetes, high blood pressure, bowel cancer, Alzheimer's disease, osteoporosis, arthritis, anxiety and stress.

Walking improves your mood and helps combat depression.

Walking can improve your confidence, stamina, energy, weight control and life expectancy.

So why not join the Comberton Ramblers Group? Our Autumn Walking Programme 2014 starts on 14th September.
